RANTS FROM LARRY

Hi kids! Here we are a month later and I'm still alive! We all must have done something right. I'm reminded how fortunate I was to have all of you to make me look like a genius. Seriously everything from 50\50, Door Prizes, Potluck, Ride leadership and just all around participation made it a great International

Past leadership and wisdom, without ego, was particularly striking to me. I have heard many kind comments and no criticism. I was encouraged with all the folks also being so supportive.

I am excited more than ever about the club and the possibilities in the future. Leadership from the other states is in a good place. I believe and will just require patience and cooperation with neighboring clubs to build the whole.

As there is no breakfast this month we'll have to wait another month but look forward to seeing everyone. As usual I am here for any comments, ideas and yes even those dreaded problems everyone has from time to time. I'm here to listen.

INTERNATIONAL at Kamiah

The International at Kamiah was a huge success. Thanks to everyone who helped to pull this off. We had approx. 75 people from all over the NW attend.

Most people arrived by Monday to 100 degree temperatures, high humidity and lots of smoke from the nearby fires. The weather didn't deter us from having a fun rally.

Tuesday Gary Fowble lead 21 bikes on a great ride. That evening we met in the air conditioned building for an ice cream social with brownies and pastries. People had purchased 50/50 tickets all day long. Ralph & Sue Dean drew out the winning tickets, of course 2 of the triplets won. Everyone headed back to their campers, cabin or motel room after mingling with each other.

Wednesday Gary lead another ride. The riding in this area is so beautiful. That evening we had a potluck. The ID women took charge and had made sloppy joes. Everyone else brought a dish to share. Ralph and Sue had been selling 50/50 tickets all day long so they drew tickets that evening and a lot of money was won.

Thursday Gary led another ride to Keuterville Bar & Grill. What a fun place to eat and socialize with the local people. That evening we had a BBQ dinner catered by some local folks from Kamiah. It was delicious! We had throughout the rally been buying and putting door prize tickets in containers as to which door prize we wanted. We had approx. 40 prizes to give away. Larry and team drew for each prize. Then was the final night for 50/50 drawings. The final night we gave out 100% of the 50/50 ticket money. Needless to say a good chunk of change was won!

Cathy Post had prepared a craft project for anyone who was interested. We attempted the project which many did very successfully and others managed to complete. It was a great socializing time. Thanks Cathy for making this happen.

Thanks to the ID bunch who made this such a memorable rally.

Ride leaving from the campground

Ride ended at the Keuterville Pub & Grill. Linda the Owner waited on a group of 24. Thanks Linda for such a fun experience.
