# Loose Gravel

Hello everyone!! Rick Killebrew here. As your State Representative, I was reminded by our Editor, Karen Burgus, that I have a Newsletter Report/Article/"Rant" due. So, as my first Official Action, I offer you the following: newly appointed

My wife, Carla, and I have been associated with UMCI since 2011, with our first ride being to Osoyoos, Canada. Our first exposure to UMCI was a year earlier when, upon an invitation from Dick Burnam, we visited what I believe was the 2010 International Rally in John Day, OR. It was at the Grant County Fair Grounds we saw folks smiling together, having fun together while riding, sharing stories and lies, and having meals together. It was there that we first participated in the long running tradition of Ice Cream together. Everyone "Together" is what we saw and a "Together" that we wanted to be a part of.

As we continue our journey together, let us first give Larry Phelps our warm thanks for having led us these past couple of years. I believe Larry's vision and message to/for us has been "Together". I heard him say it often and always with sincerity. As we move forward, I will be reaching back to Larry and his predecessors (Dick, Lonny, and Richard) for guidance and direction.

As I begin my tenure as your State Rep, I'd like to adopt a mantra as we ride forward. A mantra that continues in the same atmosphere of "Together" especially emphasized when included in the phrase, "Together we stand, divided we fall". This is part of the memorable phrase spoken by Patrick Henry in a speech he made in 1799. In a more complete content, Patrick Henry's quote reads,

*"Let us trust God, and our better judgment to set us right hereafter. United we stand, divided we fall. Let us not split into factions which must destroy the union upon which our existence hangs."*

This year's State Rally was a success. I was glad to have been involved and to have been able to help Larry in its success. There were 65 riders and enthusiasts in attendance, which included sixteen riders from Canada. The makeup of attendees is 13-Individuals and 26-Couples. Each participant received 3-Raffle Tickets and admission to dinner on Thursday night (Salad, baked sliced ham, baked potato w/trimmings, Julie Fretwell's Cowboy Caviar, and my Mango Salsa (a.k.a. Ham Aide), all followed up with ice cream sundaes and brownies). The sale of Raffle Tickets (\$1 ea. And 6-for-\$5) brought in an additional \$115. 50/50 Ticket sales brought in \$778. After Tuesday's and Thursday's 50/50 pay-outs of \$280 and \$438 respectively, the event's expenses were tallied, along with our covering one-half or \$250 of the purchase of the Club's new-to-us cargo/storage trailer, we returned an additional \$400 during the 50/50 drawing. Thanks to all that came, rode with us, as well as dined and had fun with us. This year was great, and next year will be even better.

Now, with our 2023 Idaho State Rally behind us and having celebrated another glorious Independence Day, we turn our focus to the 2023 UMCI International Rally (July 17-21) in Cashmere, WA, followed by the 37<sup>th</sup> Annual Coos Bay Camp Out (Aug 23-27) in Myrtle Point, OR. Canada, Washington, and Oregon have supported our event(s) and we need to support theirs. Please join us at these and other upcoming events. (See Flyers included in this Newsletter) Don't forget Golden Corral Breakfast on July 15<sup>th</sup>.

Be Safe, Ride Safe, Ride Together...

Rick

# INTERNATIONAL REPS TWO CENTS!

Wow, what a great time at the Idaho State rally. Great fun and beautiful riding. Just a shout out to Larry for the great job on the rally and the time he served as the Idaho State Rep. He did a great job.

Idaho always seems to have it so together when it comes rally time. And the ladies in the Idaho group are outstanding and are always doing something, which usually includes making all of the members feel welcomed, and if you need anything they're ready to assist.

The riding down there is fantastic. If you can't find a ride in Kamiah that trips your trigger, then you're not looking very hard. The weather was great and the campground personnel were great to work with.

It was so good to see our Canadian friends again. The last time I saw Anne and Jerry, Anne said she was not getting the Covid shot so she would not be visiting the States ever again. Such a surprise to see them at the rally. Had a great conversation with Dan Magee and meeting the folks that rode down with him, good people for sure.

One of the things that stands out to me at these rallies is the re-connection with old friends and how that makes you feel inside. It's so cool to sit down for a while and just shoot the bull with an old friend or especially chat with someone you just met.

Needless to say, I had a good time and want to thank all of the Idaho UMCI for the great memories.

Well, now my hope is that some of you can take advantage of the great lineup of campouts that are on the agenda between this rally and the international, there are some great ones.

Now my focus is the International in Cashmere and get all of the details worked out. In talking with George Penner just a few hours ago, we have about 32 registered, so if you've not made up your mind, please send your registration in.

I'm not going to say anymore about the International. We'll have a great time just like we did at the Idaho State rally. I'm hoping all of you are and remain in good health. I'll stop for now. Enjoy your summer and enjoy life to its fullest. Ride safe, ride lots, but most of all have a ton of fun!!

Kevin and Kevi

## Kamiah, Idaho

The weather for the Rally was perfect this year for great motorcycle riding. One group that rode to Keuterville for lunch on Tuesday encountered a rain squall, but it was over quickly and the sun shone again. The ride wound through parts of the Palouse hills that were shaped by the Missoula Floods.

The ice cream social with brownies on Tuesday night was a hit once the freezer was fixed to refreeze the ice cream.

A successful 50/50 raised money for the group and sent some home with extra cash in hand.

Two of the UMCi long-time members were remembered. Peter Venders from Cockrin, Alberta passed away recently from ALS. Ned Ackerman passed away at 101 years young this year. May they ride free with the wind always at their back on the twisty roads in the sky.

The highlight ride of the week was on Hwy 12 to LoLo Pass. This curvy two lane highway followed the Clearwater River then the scenic Lochsa River to Lochsa Lodge where the group sat on the epic porch overlooking the river for lunch. The sun was out, but the ride was a bit chilly in the shaded areas over some clouds.

Thursday was cooler with temperatures in the high 70's with some clouds. The group went on a ride to Orifino, ID and on to Dworshak Dam. Some took the "Dam Tour", given by a guide who answered everyone's "damn questions".

Thursday evening was the banquet back at camp. We feasted on ham, baked potatoes with all the fixins', a salad, rolls, and the infamous cowboy caviar. The tally for the Rally attendance was 65 people, with 17 coming from Canada! Larry passed his torch to, Rick Killebrew. The Idaho group put on a fantastic Rally this year. A few people stood up and talked about their years of experience with the Idaho Rally, including Daniel from Canada, who led a contingent on a whirlwind ride from Canada. More was given for the 50/50, and the Raffle gave away some cool items including more handmade butcher blocks, and I won a beautiful hand embroidered flower and fireworks quilt.

It was so good to see old friends and meet some new ones at this Rally. The memories of those good times will live on.

Heather Parsley
