LOOSE GRAVEL

*May this Christmas fill you and your homes with the peace
and joy of Christ.*

Merry Christmas!!

It's hard to work from a desk covered with wrapping paper, tape, ribbons and bows, so this month's article will be short. Be thankful for the times we've had, and the times that are ahead. Be with your family & friends and celebrate each other.

We are working on the final details of this year's Christmas Party. If you have not already signed up to attend and/or indicated the side dish, salad or dessert you are bringing, please send me an email to let us know you're coming so that we have enough turkey and ham.

Please note that the Polar Bear Ride has a time adjustment. The ride/drive will meet at Starbuck's (Chinden & Glenwood) by 11:00 with KSU at 11:15 and Lunch at Golden Corral will be at 12:00.

Be Safe, Ride Safe, Ride Together...
Stay off the edges, that's where the loose gravel lives.

Rick Killebrew – UMCI Idaho State Representative

MERRY CHRISTMAS and HAPPY NEW YEAR!

Hi to all of you. I hope this note finds all of you in God's good health and maybe sneaking in a short ride during the week. I have my bike put away so I won't be riding for a while. I have a temporary shed to keep it in. The cats think they can sit on it in the winter so I got a big tarp and wrapped it up to keep them off. Got to build a garage.

It's so hard to believe that it's the December issue already. Time has gone so fast. As I look back on 2023, I must say that it was jammed packed with things to do and campouts to attend. Thanks to all of our members who went the extra mile to setup those campouts. I didn't attend as many as I would have liked, but I hope you did.

We had our Columbia Basin Breakfast on the 10th, and it was well attended for November. I think we had 14 and one brave rider, although it was only a little above freezing. We learned that Tracy, our newest member, is going to Turkey to spend the holidays with her daughter and family. We wish her safe travels in this day and age. It is a risk but, it sounded like she knows her way around over there.

We won't meet at Bob's next month because we'll have our Christmas party at Lynette and Bills. She does such a tremendous job and makes us all feel so at home.

I wish I had lots of words of wisdom, but the only thing I can say is stay healthy and we'll try to have a fun filled 2024 season awaiting you. I have come to believe that we are small in numbers, but the quality and the enthusiasm that our members display is fantastic. If you're thinking of a ride or cam-pout, share it with your rep, no idea is a bad Idea.

Kevi and I wish all of you a blessed holiday season and hope that you stay in God's good health and spirits, so you will ride with us next year. We truly feel blessed that we are able to call you friends.
