Idaho UMCI – February 2024

With only a couple of days remaining on the January calendar, I know most of us are looking forward to plans that involve warmer weather, sunnier skies, and anything that involves being out of doors. Those of us with bikes and trikes are planning on changing the oil, checking tire treads and pressures, washing off winter's dust and making the chrome shine again. Others might be making plans to visit family and friends in places both near and far. None-the-less, we are looking forward to what the possibilities this new year holds in store for us.

The Oregon and Washington UMCI folks have both posted their event calendars and can be viewed on their most recent newsletters by visiting each state's websites at [U.M.C.I. Oregon - Home \(weebly.com\)](http://U.M.C.I. Oregon - Home (weebly.com)) and [United Motorcycle Club International Washington State - Home \(weebly.com\)](http://United Motorcycle Club International Washington State - Home (weebly.com)). The first event on my radar is Washington's Spring Banquet. Carla and I have attended the past few years and have always had great times. We have ridden to Washington most of the time but drove last year due to bad weather. If you are planning to attend, I would suggest making hotel reservations now because there have always been other event(s) going on and there are only two hotels. If you are riding, share your plans with others through our MeetUp page. If you are driving, consider traveling with others and splitting fuel costs.

If you haven't already done so, please complete and return your 2024 Idaho-UMCI Membership Renewal Form that is attached to this newsletter. We will be using returned forms to edit and maintain our mailing list. As well, please return your Ice Cream Ballot that was included in last month's newsletter.

While there will be other Idaho UMCI rides throughout the upcoming season, the only major event we have on our Idaho UMCI calendar is the July 2024 – 37th Annual UMCI International Rally that we/Idaho-UMCI is hosting. (Flyer and Registration Form attached to this newsletter.) This year's rally will include organized rides, games, ice cream, 50/50's, raffle prizes and a non-catered hand cooked dinner on the last night of the event. If you haven't already made your camping/cabin/hotel reservations, don't wait much longer. And, in order to help us make the best preparations, please submit your Rally Registration Forms as soon as possible. Remember, early registrations will be rewarded. In order to have an event of this nature and size to be successful, it will take a team effort and planning cannot begin too soon. We will need help with/on a couple of committees (Commemorative Pins, Registrations, Raffle (prize acquisition, set-up, distribution), 50/50 's (ticket sales and drawings) and food (prep, serving...)). Clean-up has never been an issue as almost without exception, everyone volunteers. Please let me know who can help with what.

Join me in spreading a riding atmosphere by inviting members and non-members to ride with you/us. Share all events with everyone and show your/our support of other State's events by promoting their events by attending their events.

I have a request of any member, regardless of which State you are from, if you know how to or who maintains the various State's UMCI websites, please let me know. Our site is not up to date.

Be Safe, Ride Safe, Ride Together...

Stay off the edges, that's where the loose gravel lives.

Rick Killebrew, UMCI Idaho State Representative

International Reps Input

It's so unbelievable that we're starting a new year; it's 2024 already. I'm really thankful that I made it to 2024 and still have so many great people in my life. Looking back on 2023, it was a great year for the UMCI, and I want to express to all of you my deepest thank you, for having so many great campouts and rallies that were fantastic.

It's planning time for the State and International rallies and believe me, the reps can use your help. Give them some of your ideas on rides or campouts that you might like to include in 2024. Hopefully, they'll be able to work them into the year's agenda. As it has been said so many times before, it's your club and your input is not only wanted, it's needed.

Our first event for the new year is the Spring Banquet. The registration form is in the newsletters and thank you to all that have sent in your registration. It helps tremendously in planning for food etc. I want to thank Lynette and the ladies of the Columbia Basin chapter that do all the preparation for the Spring Banquet, making it one of our top events of the year!

The Columbia Basin group had our breakfast meeting on Sunday the 14th at Bobs Restaurant in Moses Lake. We had ten participants and no riders. Go figure, it was subzero that morning; just not as tough as we used to be (LOL). I didn't make the meeting. I woke up Thursday morning about 3, with my ankle hurting like heck. I couldn't remember injuring it. So I went to work and was on it all day. It was still hurting so went to the doctor.

After several x rays, the doctor said he had no idea what it was or could have caused it to swell up as much as it was. So, I have been home for 4 days with it elevated. I missed breakfast, but Kevi handled it nicely for me. The group discussed trying to get the senior center for next month's meeting for our annual chili cooking contest. I haven't won, yet, but I have a new recipe and I plan on picking the Judges, so should be a shoo-in (LOL).

I hope that we can get a pretty good handle on our agenda calendar for the March edition of the Wash so it will be easier for all members to do some planning of their own. Don't forget the registration for the Spring Banquet and reservation information for the International rally at Kamiah Idaho.

And let the fun begin!!

God bless you all! Ride Safe, Ride Lots and most of all have a ton of fun!!!

Kevin and Kevi
